

Submission 32 – Confidential

NOT THAT ANYONE IS GOING TO READ THIS OR IT'S GOING TO CHANGE WHAT IS COMING.

"Increased situational awareness to prevent mid-air collisions with traditional aircraft and other aircraft."
THIS IS NOT TRANSMITTING DRONE LOCATION TO PLANES AND HELICOPTERS REMOTE ID IS NOT DESIGNED FOR THAT, DO YOUR RESEARCH PROPERLY

"Helping track illegal or noncompliant drone use and report potentially suspicious drone activity to relevant authorities for further action."
WHAT IS CONSIDERED SUSPICIOUS ACTIVITY? FLYING AROUND MY LOCAL PARK WHEN THERE IS NO ONE AROUND?

"Helping educate the community around local laws and regulations relating to drone use."
HOW IS THAT GOING TO EDUCATE PEOPLE ABOUT DRONE LAWS AND USE?

THIS IS THE AUSTRALIAN NANNY STATE STRIKE AGAIN, WASTING TAXPAYERS MONEY.... PEOPLE DOING THE WRONG THING WON'T HAVE REMOVE ID ON THEIR DRONES AND STILL GET AWAY WITH IT. THE ONES THAT WANT TO DO THE RIGHT THING SHOULDN'T NEED REMOTE ID.
